Dear **Potential Donor**,

As the 2022 fair is rapidly approaching, our processes have been moving for developing a plan to cover the cost of putting on the fair and improving the area utilized, which is located in the Winamac Town Park. This process requires us to engage local donors to provide help through donations to begin with, then potentially offering labor to help make the 2022 Pulaski County 4-H & Community Fair the best fair ever. We, the Pulaski County 4-H & Community Fair Association, are seeking community partners to help support the upcoming 2022 Pulaski County 4-H & Community Fair. Can we count on you? Below you will find levels of sponsorship, along with what service applies to each level.

If you choose to help through financial contributions, please choose your desired sponsorship level below and submit your check, money order, or deliver cash to:

**Pulaski County 4-H & Community Fair Association, C/O: Purdue Extension Office,
125 S Riverside Drive STE 120, Winamac, IN 46996**

Please submit donations by May 1st, 2021. Although later entries are allowable and appreciated, if you desired a specific day as an independent sponsor, your day may not be available.

There are many improvements, repairs, and upgrades currently needed. We thank you in advance for considering a financial donation to help celebrate our youth and their accomplishments at the 2022 Pulaski County 4-H & Community Fair.

Sincerely,

Pulaski County 4-H & Community Fair Association
