Dear **Potential Donor**,

As the 2023 fair is rapidly approaching, our processes have been moving for identifying new opportunities to bring to the fairgrounds. As we work to cover the cost of putting on the fair, we continue the improvements to not only the buildings and its surroundings, but bringing in new activities and events for kids and community to enjoy nestled back inside our own Winamac Town Park. This process requires us to engage local donors to provide support through sponsorships, donations, and manual labor to help make the 2023 Pulaski County 4-H & Community Fair better. We, the Pulaski County 4-H & Community Fair Association, are seeking community partners to help support the upcoming 2023 Pulaski County 4-H & Community Fair. Can we count on you?
